Do federal agencies need to buy security containers?

Since 2014 federal agencies are required to buy security containers using National Stock Numbers in GSA Global Supply via requisition. All items are FOB origin, freight prepaid. This means you will need to pay additional shipping charges for delivery of these items. Do not order containers directly from vendors.

What funding options are available for FSC 8145 / 8150 containers?

Federal Stock Class (FSC) 8145 / 8150 containers may be ordered utilizing several DLA funding options; Military Standard Requisitioning & Issue Procedures (MILSTRIP), Military Interdepartmental Purchase Request (MIPR) and Credit Cards. Requirements will be filled by Long Term Contract (LTC) or Traditional Support procurement action.

Where can I get help ordering security containers?

Help from GSA with orders: National Customer Service Center. Help from GSA with federal specifications and qualified product list questions: gsasecuritystandards@gsa.gov. DoD lock program support: 800-290-7607. Instructions and resources on how to order security containers.

Can a non-profit purchase a container?

Containers are still available for direct purchase by Government and approved non-profit entities. To register, please download and complete the PDF form and email the completed form to spmo@azdoa.gov to register your organization. Your organization must be registered with ADOA before you can place an order.
