How much does it cost to build a greenhouse?

A greenhouse costs \$5 to \$30 per square foot or \$2,500 to \$15,000 on average for a 500-square-foot structure. Building a large commercial greenhouse costs \$2 to \$25 per square foot. The cost to build a greenhouse depends on the size, materials, and whether it's prefab or custom-built. Get free estimates from greenhouse builders near you.

How much does a geodesic greenhouse cost?

Geodesic or dome greenhouses are round structures with domed tops. They can be made from a variety of materials, including glass and plastic, and cost between \$10 and \$25 per square foot. While these types of greenhouses have a relatively small footprint, they can house many plants because of their tall shape.

How much does a 50 ft greenhouse cost?

A basic 50 ft greenhouse made of PVC pipe and plastic sheeting can cost around \$500, while a more complex structure made of aluminum framing and tempered glass can cost upwards of \$10,000. It is important to carefully consider the intended use and budget when selecting the type of greenhouse to build.

How much does a polycarbonate greenhouse cost?

Keep in mind that a \$5,000 polycarbonate greenhouse with a 15-year lifespan comes out to about \$333 per year in depreciation, while a \$10,000 glass structure over 30 years also equals \$333 per year. Same annual cost, different upfront investment.

For example, in China, a commercial glass greenhouse that is 6 meters tall and covers 10,000 square feet typically costs between \$125,000 and \$186,000 to equip with basic ...

A greenhouse costs \$5 to \$30 per square foot or \$2,500 to \$15,000 on average for a 500-square-foot structure. Building a large commercial greenhouse costs \$2 to \$25 per square foot. The cost to build a greenhouse depends on the size, materials, and whether it's prefab or custom-built. Get free estimates from greenhouse builders near you.

Glass siding is common in greenhouses and costs \$2.50 per square foot. Glass is heavy, though, so you will likely need a strong steel frame to support it. Polyethylene and ...
