Who sells hypontech photovoltaic inverters in Bulgaria?

Hypontech photovoltaic inverters combine high quality and affordable price. NENCOM is the exclusive representative of Hypontech in Bulgaria. We sell on-grid and hybrid inverters wholesale and retail, we help with settings.

Who sells hypontech in Bulgaria?

NENCOM is the exclusive representative of Hypontech in Bulgaria. We sell on-grid and hybrid inverters wholesale and retail, we help with settings. At the moment, for the European market Hypontech offers single-phase on-grid inverters (red), three-phase on-grid inverters (blue), as well as battery and hybrid inverters (white).

What types of energy meters are used by hypontech inverters?

In systems with Hypontech inverters are used 'smart' energy meters Easton: 1-phase and 3-phase, with direct measurement (up to 100A) and with measuring current transformers (CT). All 4 models are mounted on a DIN rail, have a backlit display and buttons for viewing the measured parameters: active and reactive energy, voltage, frequency and more.

Where can I find a certificate for a T&V S&D inverter?

Additionally, in the description of each series of inverters you will find the corresponding certificates. Most of the certificates are issued by T&V S&D Product Service GmbH (Germany) and can be checked by the number on the official website of the testing organization.

We, at SolarFeeds, have brought together nearly all the popular solar inverter wholesalers, who offer a large number of inverters at much cheaper pricing compared to the retail market.

Find Bulgaria inverters manufacturers on ExportHub . Buy products from suppliers of Bulgaria and increase your sales.

The company specializes in solar energy solutions, offering a range of photovoltaic systems, including various models of solar inverters like Growatt and Huawei. Their focus on ...
