??Estonia's first pumped hydro energy storage system, Zero Terrain Paldiski, is making waves with its unique design and ambitions to store enough power for all Estonian households.

Sunly, in collaboration with Metsagrupp, is developing a 16 MW / 32 MWh battery energy storage system (BESS) next to the 45 MW Raba Solar Park in Pärnu County, Estonia.

This sophisticated system is crucial in preventing issues such as overcharging and short circuits, which can compromise your battery's lifespan and safety. Additionally, it supports remote ...
