Does Spike electric offer a 15 kV switchgear?

Spike Electric offers a range of medium voltage solutions within the 15 kV category, designed to accommodate both indoor and outdoor settings, including non-walk-in and fully enclosed outdoor types. Our 15 kV switchgear, mechanically ready and rated for 40kA, comes with the option for CSA certification when necessary.

Is my 15 kV switchgear CSA certified?

Our 15 kV switchgear, mechanically ready and rated for 40kA, comes with the option for CSA certification when necessary. Additionally, it undergoes rigorous testing in accordance with ASCE7-10 standards to ensure it surpasses the expectations set by IBC & CBC regulations.

What is a 15 kV circuit breaker?

All 15 kV circuit breakers are horizontal drawout design, which provide connect, test and disconnect position. A latch secures the breaker in the connected and disconnected/test position. The circuit breaker is designed to roll directly on the floor.
