AIMS Power inverters are available up to 8000 watts throughout Papua New Guinea in 12, 24 & 48 volt models for off-grid, mobile & emergency backup power applications.

We are committed to becoming the driving force behind the solar energy industry in Papua New Guinea, facilitating a transformation of energy usage across the country.

Solar Solutions PNG Ltd is a Port Moresby based SME founded in 2013 with the aim of securing clean, reliable, energy access to those living off-grid in Papua New Guinea.

Cetelnet is proud to deliver innovative and locally adapted green energy solutions in Port Moresby, helping businesses, institutions, and communities transition to cleaner power sources.

PNG Solar Supply provides end-to-end solutions for both off-grid and on-grid green energy solutions.

Thank you for inquiring. The Mission Solar Genset 5100 can power up a small house with basic AC home appliances
