"At EVLO, we are dedicated to delivering safe and efficient energy storage solutions to utilities and power producers aiming to incorporate cleaner technologies into their ...

Evlo Energy Storage Inc, a subsidiary of Hydro-Quebec, announced it has commissioned the first of three grid-scale energy storage projects in American Samoa. The ...

The American Samoa Power Authority selected Eastern Power Solutions with the EVLO 1000 BESS to enhance the delivery of safe, reliable, and clean power to the local ...

This ambitious initiative isn't just about stacking batteries on a tropical island - it's a blueprint for how small nations can punch above their weight in the renewable energy arena.

Constructed by Eastern Power Solutions, the solar-plus-storage projects will provide 10 MW / 20 MWh of critical clean capacity for the American Samoa grid.

This initiative, the first of three, was developed with Eastern Power Solutions (EPS) to support the American Samoa Power Authority (ASPA) in providing sustainable, reliable ...
