Somalia has not recognised the independence of Somaliland and regards the area to be one of its federal member states. The name Somaliland is derived from two words: "Somali" and "land";.

Somaliland, officially the Republic of Somaliland, is a partially recognised country in the Horn of Africa. It is located on the southern coast of the Gulf of A...

Israel became the first country to formally recognise the self-declared Republic of Somaliland as an independent and sovereign state on Friday - a decision that could reshape ...

The would-be independent state stands in contrast to Somalia as a place of relative stability, and despite its lack of international recognition, Somaliland continues to push its own ...

Political Status: Somaliland gained its independence on 26 June 1960 and stands as a beacon of democracy in the Horn of Africa, with peaceful power transfers and regular elections.

A growing number of countries have rejected Israel's recognition of Somalia's breakaway region of Somaliland as an independent nation and warned of "serious ...
